On December 28, 2024, Lisa Wyatt retired from the position of Market Administrator, Pacific Northwest and Arizona Orders. Ms. Wyatt has been with the Federal Milk Marketing Order Program for more than 40 years and contributed significantly to the successful administration of the Program. We express our best wishes to her for a long and happy retirement.

Mr. Hunter has been serving as the Market Administrator in the Southwest Milk Marketing Order since January 4, 2009. With over 34 years of experience working with the USDA-AMS-Dairy Program, Mr. Hunter has held a variety of positions in the Southwest Milk Marketing Order resulting in a diverse background and vast experience base. While Mr. Hunter will provide oversight and leadership of the Arizona Order, the staff in the Phoenix, AZ and Bothel, WA offices will continue to support Mr. Hunter and provide the local dairy industry with excellent customer service.
